STUART WARNER JOINS CRAWFORD TECHNOLOGIES INC. AS VICE PRESIDENT, MARKETING & SALES

Toronto, Ontario, December 12, 2006 - Crawford Technologies Inc. is pleased to welcome Stuart Warner as the company's new Vice President, Marketing & Sales.

A 25 year veteran of the high volume transactional production printing industry, Warner has held a broad range of management responsibilities including Operations, Technology, Marketing and Sales in organizations such as Xerox Canada Ltd., INTRIA Items Inc., Canada Systems Group, Fiserv and the Workplace Safety & Insurance Board of Ontario.

“Stuart's broad range of experience within the transactional printing industry and the insight that he has gained as both a customer and vendor within the corporate, government and service bureau environments will be a great asset to Crawford Technologies Inc., as we reposition the company as a high value workflow solutions provider in the transactional document printing, presentment and archive market space” stated Ernie Crawford, President, Crawford Technologies Inc.

As Vice President of Marketing & Sales, Warner will be responsible for direct and indirect sales channels, product planning, marketing planning and marketing communications for both North America and worldwide.
